HWY 13 // THE ULTIMATE ROCK'N'ROLL EXPERIENCE

HWY 13 NOW BOOKING 2023 LINEUP

Hey Event Organizers & Party Planners,

Are you hosting a fundraiser, celebration, cabaret, or marquee event this year and are looking for a band that **ROCKS**? **HWY 13**, hailing from Shaunavon, Saskatchewan is now booking their 2023 line-up.

HWY 13 brings the ultimate classic rock experience with a set list filled with rock classics like John Mellencamp, Lynyrd Skynyrd, John Fogerty, Steve Earle, Eric Clapton... basically all that music your dad played in his garage that *everyone* loves.

You may have seen **HWY 13** perform in Swift Current, Shaunavon, Eastend, Frontier, and Climax at events like Boomtown Days, Dino Days and The Eastend Motorbike Rally to name a few. If you have seen them perform, you know the crowd was having a wicked time singing & dancing while **HWY 13** tore the house down.

Fun fact: **HWY 13** is an ALL-INCLUSIVE band, which means all you need is a power supply... they bring everything else...even a stage if needed. THE THUNDER STAGE is SW Saskatchewan's only mobile stage that's ready to roll into outdoor events.
